**Subject:** FW: Community Room Request

FYI - Below is the request from the Performing Arts Group to once again use the Community Room for their practices and have the fees waived.

Thanks,  
Linda

**Subject:** Community Room Request

Borough Council:

I am the new producer for MPACT, formerly iStage Performing Arts. We are happy to announce that we will be performing the musical, Peter Pan Jr. This year, we have more than 60 children participating in the show.

We are again requesting to use the Community Room in the Borough Building for our Saturday practices from March to May, as we have in the past. We have checked with the library coordinator and were informed that it is available during the time that they are open. In the past, you have waived the room rental charge and I am requesting consideration to waive the fees for this year. Please feel free to contact me with any questions.

Thank you for your consideration,

Charito Faulkner  
MPACT Producer

Manheim Performing Arts Community Theatre
