Dear Mr. Fisher:

Below please find my update for the upcoming Borough Council meeting regarding the work performed during the past month.

Horner-Ryan Lot Add-on Plan: I reviewed a plan submission for a proposal to transfer a small portion of land (0.062 acres) from 421 Old Line Road (Ryan) to 400 W. Gramby Street (Horner). A review letter has been provided to the applicant's engineer and we expect a revised plan to be submitted addressing those comments.

N. Linden/E. High Street Drainage Improvements: We received review comments from PennDOT on our Highway Occupancy Permit application. We revised the plans and resubmitted the documents to PennDOT.

New Charlotte Drainage Improvements: We met with Public Works staff to review the work plan and materials list for repairing the existing drainage culvert near McCracken's Feed Mill. Work is scheduled to take place the week of March 16th.

Police Station & NW EMS Facility NPDES permit termination: We submitted as-built plans and a Notice of Termination form to the Lancaster County Conservation District (LCCD) to close out the NPDES permit that was acquired for construction of these facilities. Approval was received from LCCD.

E. Stiegel Street Bridge Repairs: We completed a field survey and preliminary analysis of the repairs that were identified in the most recent bridge inspection report. We anticipate submitting a permit application for sediment removal and riprap placement to DEP in April.

N. Laurel Avenue/Hershey Drive Drainage Improvements: We helped prepare a Letter of Intent to submit a CDBG application for drainage improvements in this neighborhood. The grant application is due April 30th.

I trust that this report provides you with the information you need for the upcoming Council meeting; however please do not hesitate to contact me if you have questions or need additional information.

Sincerely,

Benjamin S. Craddock, PE, President

Public Works Report

February 2020

This month was somewhat mild with the lack of winter weather, so we took the opportunity to get much need maintenance done, throughout the Borough and shop.

We repainted and cleaned downstairs bathroom. We made repairs to both utility trailers. We felt that these improvements would help keep us safer when preparing for special events. We completed repairing and painting wooden pool benches. We also restored and painted concrete benches that were on the square.

We got to spend time in the parks as well with the mild weather. Trimmed low hanging limbs, cleaned up trash and did some spring cleanup. We repaired many potholes form over the winter. This was a good time to get our spring list stared. Repaired a small sink hole on South Oak Street. Continuing on our sign survey. Large pool pump is being repaired.

Safety Talks ~ Importance of safety when working in traffic with utility trailers

MS-4 ~ Replaced storm drain cover on West Colebrook Street, at shop Cleaned out two storm drain boxes in 100 block of North Charlotte Street Cleaned off storm drain boxes after each rain events

As always any question or concerns, just ask......

Subject: MC Elementary Carnival May 15 2020

Hello Linda,

It was nice talking to you today. The following is a brief summary of our event planned for May 15th, 2020 at the park/pavilions behind Manheim pool and farm show area. The event is the Manheim Central Elementary School carnival funded by the school PTOs to celebrate the children's hard work all year. The event will be held from either 530-8 or 5-8, we are still deciding. We will arrive at approximately 8:00am to begin set up. We will have 4 bounce houses, same vendor as last year (Bounce House Rentals Of Lancaster). We plan on having 3 to 4 food trucks (likely Divine Swine, Manheim Central FFA, Lions club). We will also plan on having games, dunk tanks, photo booth, DJ, free hotdogs/chips/drinks/Rita's Italian Ice for the kids. Forgotten Friends will have a tent to do a few shows during the event. The fire company will be present with a truck for the children to tour. We expect our attendance to be around 1300 people. I will make the police and EMS aware of the event again this year. We would greatly appreciate extra trash cans/bags if possible. Please let me know if there's anything that we can do on our end to make things easier for you or anything you would like seeing done differently from the previous years. Thank you so much for your time!
