Re: E. Adele Ave / N. Laurel Street Drainage Improvements
LCEC Project No: 9-70
Bid tabulation

Dear Jim,

As you are aware, on September 8, 2020 we unsealed bids for drainage improvements on E. Adele Avenue and N. Laurel Street. A total of eight (8) bids were received with the low bidder being Wexcon, Inc. The bid totaled \$152,287.00 as shown on the attached tabulation.

The lowest bidder has supplied the necessary documents with their bid, including a 10% bid bond, the Public Works Employment Verification Form, the Anti-Collusion Affidavit and the Workmen's Compensation Affidavit. The bidder also included the Section 3 Action Plan Documentation.

It is my recommendation that the Borough award the bid to the lowest responsible bidder, Wexcon, Inc, for the total amount of \$152,287.00 at their next regular Council meeting.

Sincerely,

A handwritten signature in blue ink that reads "Benjamin S. Craddock". The signature is written in a cursive, flowing style.

Benjamin S. Craddock, PE, President
