Manheim Borough
15 E. High Street
Manheim, PA 17545

To whom it may concern,

Please accept this letter as notice of my resignation from the Shade Tree Commission. My term with the Shade Tree Commission is set to expire on December 31, 2021; however, due to the conflict of holding a Zoning Hearing Board position action must be taken immediately. My last day with the Shade Tree Commission is November 22, 2021.

It has been an enriching experience working with other tree enthusiasts over the past few years. One highlight through my experience was hearing the story how the Mayor in the 1980s pushed for a grant to line the streets with lovely Armstrong Maples. Today, those trees are a staple for the neighborhood area. The beautiful scenic colors in the Autumn and cooling shade in the Summer of the Armstrong Maples is a sign of more to come.

I would like to help with finalizing the proposed tree plantings at the next Pool/Park Committee meeting on November 30, 2021 for a warm handoff. Also, I would like to introduce a new candidate to fill my vacancy.

Thank you for the opportunity to be apart of the Shade Tree Commission these past few years. It has been a pleasure and I look forward to seeing more trees planted around the Borough.

Sincerely,

A handwritten signature in black ink, appearing to read "Catherine Prozzillo". The signature is fluid and cursive, with a long horizontal stroke at the end.
