

Manheim Borough Public Streets Special Event Application

A "Public Streets Special Event" is defined as any event held within the Borough of Manheim that involves the closure or interference with the normal traffic flow on a public roadway owned or maintained by the Borough of Manheim/Commonwealth of Pennsylvania. If streets will not be affected in this manner, please use the Non-Street Special Event Application.

- Applications must be submitted at least one hundred twenty (120) days prior to the event.
- Application must be completed in its entirety. Applications received without the above noted requirements will be returned. Attach any additional information if needed.
- Events involving state roads will require a permit from PaDOT. Please contact PaDOT for information and requirements.
- Borough approvals are contingent upon receipt of PaDOT permit where applicable, as well as meeting the minimum safety requirements as determined by the Manheim Public Safety Team consisting of Manheim Regional Emergency Management Agency and other safety organizations/officials as deemed necessary for the event. The safety requirements may include, but not be limited, a specified number of volunteers and equipment. Approval may be rescinded at any time prior to the event if requirements are not met.
